Exclusive Invitation

What does net zero mean for investors?

Afternoon Tea

You are invited to join Aberdeen Standard Investments, in association with Pensions for Purpose, for a virtual afternoon tea on **Wednesday 2 September**.

At ASI, we are committed to help tackle climate change. In this session **Eva Cairns, Senior ESG Investment Analyst**, will take an in-depth look at this most critical issue and consider how to align your pension scheme to the goals of the Paris Agreement - working to help achieve net zero emissions by 2050 at the latest.

This intimate discussion will start at 14:30 and will also include commentary from **Karen Shackleton, Head of Pensions for Purpose**.

Please RSVP asap as places are limited.

Upon registering, you will have the option to sign up to receive a personalised delivery, so you can enjoy the experience of a real afternoon tea!

We hope you can join us for what we expect will be an educational and interactive discussion.
