

IMPACT INVESTING PRINCIPLES *for* PENSIONS

Supporter's statement

I / we support the Impact Investing Principles for Pensions and the market infrastructure around them, particularly [insert relevant area for support].

We will work to encourage [insert professional or special interest group, eg. actuaries] to consider the impacts of their investments along with the opportunities that positive impact investments provide.

I / we will be able to demonstrate action within six months of endorsing the Principles and will recommit on an annual basis with evidence for how the Principles have been used.
