

S-360 – Marine Plastic Pollution PAS 510: 2021

☐ **How the voice of the investor has made change**

- ☐ Sponsored a standard to improve corporate behaviour - an impactful way to change behaviour throughout the supply chain
- ☐ Demonstrated the strength of bringing together investors who want to play their part in catalysing change
- ☐ Investors can now engage on this issue to encourage compliance, and have the ability to hold companies to account
