

“ The Impact Investing Principles for Pensions are pitched at the right level as they are achievable. They provided us with support to look at how we wanted to contribute to a sustainable transformation. We would like to see the Principles evolve and continue to push the industry. ”

**Neil Mason**  
**Strategic Finance Manager**  
Surrey Pension Fund

“ Organisations with credibility are behind the Impact Investing Principles for Pensions. By supporting this we are acting in concert and creating collective action to address social and environmental impact risks and opportunities while finding diversified sources of return. ”

**George Graham**

**Director**

South Yorkshire Pensions Authority

“ I wanted to give my backing to the Impact Investing Principles for Pensions as a practical framework to encourage other funds to consider impact investing. This is not just about measuring impact or sustainability – this is sensible investing. ”

**Debbie Fielder**  
**Deputy Investment Director**  
Clywd Pensions Fund
